

## Guide for an initial interview with the cat sitter

### Contact details of the cat sitter

First and last name:

Contact:

### General

At the beginning, briefly introduce yourself and give the cat sitter the opportunity to introduce themselves.

Please tell a bit about yourself.

How long have you been working as a cat sitter?

### Tasks

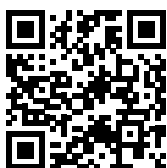

Explain what kind of pet care is needed. Do you need occasional check-in visits or do you need someone to look after your cat for a longer period of time? Do you need holiday care or overnight care?

This type of pet care is needed:

### Introduce your cat

Tell the cat sitter more about your cat. Do they have any special likes or habits? Do they dislike anything? Do they have any illnesses or require medication?

This is my cat:

Please find a detailed checklist for all the important details about your cat for your cat sitter in our help centre: [tiersitter24.at/forms](https://tiersitter24.at/forms)

## Availability and payment

Clarify the framework of the employment relationship.

**On which days are you available? For how many hours? At what intervals?**

**Do you want to work as an employee or are you self-employed?**

**Your expected salary is \_\_\_\_\_ € per hour. Do you charge anything extra, e.g. travel or cleaning materials?**

**When are you available? Would you also be available spontaneously?**

## Try-out and next steps

What is your first impression? Do you already want to agree on the next steps, or would you like to take your time to think it through?

**You will hear from me by \_\_\_\_\_. Thank you very much for your time.**

**Could you come by on \_\_\_\_\_ for a try-out?**

## Space for further questions or notes
