

Guide for an initial interview with the pet sitter

Contact details of the pet sitter

First and last name:

Contact:

General

At the beginning, briefly introduce yourself and give your pet sitter the opportunity to introduce themselves.

Please tell a bit about yourself.

How long have you been working as a pet sitter?

Tasks

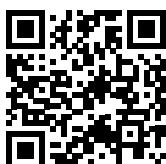

Explain what kind of pet care is needed. Do you only need occasional pet care or do you need someone to look after your pet for a longer period of time? Do you need holiday care or overnight care?

This type of pet care is needed:

Introduce your pet

Tell the pet sitter more about your pet. Do they have any special likes or habits? Do they dislike anything? Do they have any illnesses or require medication?

This is my pet:

Please find a detailed checklist for all the important details about your pet for your pet sitter in our help centre:
tiersitter24.at/forms

Availability and payment

Clarify the framework of the employment relationship.

On which days are you available? For how many hours? At what intervals?

Do you want to work as an employee or are you self-employed?

Your expected salary is _____ € per hour. Do you charge anything extra, e.g. travel or cleaning materials?

When are you available? Would you also be available spontaneously?

Try-out and next steps

What is your first impression? Do you already want to agree on the next steps, or would you like to take your time to think it through?

You will hear from me by _____. Thank you very much for your time.

Could you come by on _____ for a try-out?

Space for further questions or notes
